

Get a Legion Digital Membership Card for your iPhone or Android device!

Legion Members now have the option to choose either the traditional plastic card OR the new Digital Card that can be saved to your smart phone.

Members with an email-enabled iOS (Apple) or Android mobile device can receive a Digital Card in minutes. The Card is stored in your Apple Wallet or Google Pay and is a free and convenient option.

To receive the Digital Card, you will need an email address on your Legion membership profile.

How to request a Digital Card

1. Log in to the [Member Services Website](#)
2. Add or verify your email address on your member profile.
3. Select to receive a Digital Card

Renewing Members also can request a Digital Card during the online [renewal process](#).

Renewing your Digital Card

When you renew each year, you will receive an email with your new Digital Card with updated membership year to upload to your phone.

Members who prepay for multiple years will receive a Digital Card showing the maximum membership year paid.

The Digital Card is the next step in modernizing the membership experience. When you select to receive a Digital Card, you have a convenient, up-to-date membership card on you at all times. The Digital Card also supports administration savings for your Legion and lightens your environmental footprint.
