Hi Stella,

Sorry I didn't get back to you sooner!!

I wanted to quickly pass on to you that there is a really great opportunity for nonprofits (particularly Legion groups, perhaps as it is available to nonprofits, not only charitable organizations) through Community Foundations... It's called the Community Prosperity Fund. I'll copy some info and links here, but one thing you could do in advance of your June 2 gathering is call your local Community Foundation (I think I recall you yourself are in the Comox Valley? So you would connect with Comox Valley Community Foundation). Sigourney is the main admin person there, and she could confirm whether or not the structure of the Legions is eligible for this funding (same info would apply to all your member branches).

Read about it here:

I won't be available to help/attend on the June 2nd meeting. I just have too many projects on the go at the moment. But please do pass on my contact information to anyone who may be looking for help with grant applications, and let's stay in touch.

Happy to chat on the phone again, if you have more questions or anything!

Dana
